The Honorable Kay Granger
Ranking Member
Committee on Appropriations
United States House of Representatives

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$2,900,000 in community project funding for the City of Ansonia.

The entity to receive funding for this project is the City of Ansonia, located at 253 Main Street Ansonia, CT 06401.

The City of Ansonia needs to remove contaminated hazardous materials within the building and demolish the remaining structure and SHW Casting Company. File all necessary notifications to federal, state, and local entities. Submit an Alternative Work Practice request to the Connecticut Department of Public Health to address the structurally unsound portions of the building (mostly roofing). Remove and dispose of all regulated materials throughout the Building. Remove and dispose of all transite siding and roofing materials in a traditional manner to the extent feasible. Remove and dispose of all contaminated porous building components as friable asbestos containing materials. Clean the slab in its entirety and dispose of all debris as asbestos containing waste. Fill all pits/voids with clean masonry. Install a fence along North Main Street to match existing to closure and secure the site.

I certify that neither I nor my immediate family has any financial interest in this project.

A handwritten signature in black ink that reads "Rosa L. DeLauro".
